

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 23, 1995

SUBJECT: **SB 712 - HB 806**

This bill, if enacted, will amend the Psychologist's Practice Act by waiving the supervised postdoctoral experience associated with the designation of health service provider for those individuals who completed all academic requirements including an internship by September 1, 1993, provided they have applied for a license as a designated health service provider by July 1, 1995.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues from the receipt of additional license fees, since the application deadline is extended. The amount of such increase cannot be reasonably determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.
